It's truly inspiring to watch, from the top-notch coaching to the general environment that the kids are in when with Michigan Made...I mean what an experience for them! You guys run a top-notch program and it's truly been great being a part of it.

MICHIGAN MADE is a year-round hub for all things sports, and in the New Year, we are offering two flag football leagues in the region plus high school defensive line training with former Northwood University Head Coach, Leonard Haynes. We are also bringing you a 3-on-3 soccer league, Sideline Cheerleading, Speed School classes & more.

Registration deadlines are approaching and space is limited. Follow our link to lock in your spot!
