COLLEGE NIGHT

MAY 14 @ NOUVEL CATHOLIC CENTRAL

5:45 PM | MEET & GREET

6:00-7:15 PM | SHOWCASE

40 of the top student-athletes from around the state of Michigan have been selected to compete in a private work out for college coaches. This is invite only and includes several athletes holding offers from universities around the region, along with state-wide accolades. The program and workout are led by 3x MAC Champion & former Central Michigan/NFL defensive back, Vince Agnew.

Our Purpose

The purpose of this night is to give a small group of area student-athletes an avenue to network and showcase their skills.

We give the “less flashy” names their due time to shine and each have the work ethic and intangibles to succeed at the next level. We are just here to provide the resources for them to achieve those goals.

This program is cost free and invite only - not a money maker. So, you can assure that those in attendance are there with the same purpose and will not disappoint. A full 40-player breakdown including hudl links, season accolades, coaching contacts and measurables have been provided here.

College Night 2025 | Showcase Roster

College night puts a group of fine young men and playmakers on center stage in front of attending coaches and peers. It provides an opportunity for growing the game of football in the region, along with creating relationships among players, coaches and universities.

We will see you there.
